

AHMET ÖZALP

SENIOR FULLSTACK DEVELOPER

ABOUT ME

I am a developer who has been interested in software since I was 10 years old and has been working professionally since I was 18. With 10 years of experience in the fullstack field, I have specialized in developing modern frontend technologies and scalable backend systems. I am currently working as a Senior Fullstack Developer (outsourced) in the ESARJ team at Sabancı Holding. I am passionate about developing powerful, reliable and scalable projects with technologies such as React, Next.js, Node.js, Express.js, MongoDB, MySQL and AWS.
