SUMMARY

Passionate, customer-oriented network engineer with 3+ years' experience broadening the electric vehicle market,designing and managing networks and security. Lead team of 20-25 employees in reducing downtime, improving the quality and efficiency of network infrastructure. Cisco CCNP certified.

ACHIEVEMENTS

Improved network performance by 30%.
Identified changes and modifications to be made within a short period of time.
Enhanced network security and reduced downtime.
2 times selected as Employee of the Month for outstanding performance.
Inducted over 25 employees in handling network infrastructure.
Nominated as project manager

SKILLS

Networking Technologies (DNS, DHCP, VPN, Network Security, IP Routing Protocols, etc.)
Routing Protocols (BGP, OSPF, ECMP, MPLS, TCP/IP, RIP, etc.)
LAN/WAN
Firewalls (SonicWALL, Cisco, Meraki, etc.)
Programming Skills (C++, C, Python, Java, Terraform, etc.)
Cloud and other skills (Amazon AWS, Synology NAS, vMX100, etc.)
Routers (Cisco, Juniper, Meraki, etc.)
Hardware (routers, proxy servers, switches, WAN, DNS and DHCP, etc.)
Intrusion Prevention System (IPS) and Intrusion Detection System (IDS)
Encryption software and virus protection (McAfee, Symantec, firewalls, etc.)

Interests and Hobbies

Singing

Clubbing

Swimming

Tennis

Blog Writing

Reading

Playing Cricket

EDUCATION

Bachelor of Science in Computer Science and Network Security

 [2012-2015]

Institute of Engineering and Science IPS Academy,Indore, MP

- Excelled in Cisco classes
- Member of NCC Army, Tennis Club

Higher Secondary School

 [2011-2012]

Army Public School, Mhow, MP

- Graduated with 92%
- Excellent in all subjects (Maths, Physics, Chemistry)
- Participates in annual functions and was a tennis player
